Dear Sir/madam,

Tuxford Town Council Input to Bassetlaw Council's response to the Inspectors' comments on the Draft Plan.

Please find attached Tuxford Town Council's consolidated response to the above. As mandated, we keep our observations to that text which has been updated (or not) as a result of the Inspectors Matters, Issues and Questions.

We wish to support Bassetlaw District Council and work in a positive and constructive way to help ensure Bassetlaw succeeds. However, whilst on the whole we support the changes made, we see some serious issues which have either been introduced or not addressed, or which give cause for concern when explained by Bassetlaw District Council.

These limited matters are of particular concern as we are about to start our Neighborhood Plan Process, which must be compliant with the emerging Plan. As presented, we feel they present a significant challenge; however we feel they could be changed by Bassetlaw District Council without much difficulty.

Yours sincerely,

Mrs Joan Moorhouse
Chairman to Tuxford Town Council
